

Would you like to have a tiny break?

Join the Annual General Meeting at Luosto 22.11.-24.11.2019

Annual General Meeting of Mining company Arctic Amethyst Ltd. will take a place at Luosto in the last weekend of November. All Shareholders of the company are warmly welcome to join the event. Like previous years, friends of the Shareholders are welcome to take part as well, even though at the General Meeting only Shareholders have right to speak. Company share, executed in the form of original graphic art, will be available at reduced price during this event.

Programme of the event

Friday 22nd November

Programme starts with Get Together-party at 18.30 in Night club Karhu, where you can meet old friends and get to know with new ones. Small snacks and drinks will be served.

If feeling hungry before official programme, Lapland Hotels Luostotunturi serves lunch at Tunturi-hall at 13.00 with price of 14 eur/ person.

Saturday 23rd November

After breakfast, at 9.00am there will be trip to Lampivaara. In the beginning there is tour at the Amethyst mine and everyone will get to dig the "fresh" lucky stone. We get to take a look of the new building, which consists of brand new stone boutique and room for the presentation. At the Lampivaara there will be a competition announced and you will get time until the Sunday afternoon to take part, winner of the competition will be published later.

When returning from Lampivaara, lunch will be served at Lapland hotels Luostotunturi, at Tunturi-hall.

The Actual **Annual meeting is at 15:30** in auditorium of Lapland Hotel Luostotunturi.

The agenda of the meeting will be published on the company's website.

At the evening we gather to the traditional pre-Christmas party, by this time, at Restaurant Vaisko. Christmas delicacies and drinks will be served.

Sunday 24th November

No official program, spare time to look around. Amethyst shop is open 10.00-14.00. At the shop you can meet our goldsmith Iiris Järvinen, who will gladly answer if having any questions about jewellery or stone polishing process.
